December 6, 2017

Parents of Pilgrim Choice Students:

Thank you for checking into this website! This letter is an explanation of the Wisconsin Parental Choice Program, (WPCP) 2016-17 State Test Results link. When you click on the link on our webpage entitled:

http://www.pilgrimpluth.org/school/documents/State-Rpt-Crd-Pilgrim_2016-17.pdf

you will be able to see how schools across the State of Wisconsin did on the state test, which is named **FORWARD**. All Choice students are required to take this test. All schools that are eligible for students in the WPCP must, according to state law, publish this document on their website.

However, if a school has less than 20 students in the WPCP program, they are NOT required to administer the test to their students. Pilgrim Lutheran School has 8 students. Therefore, we are NOT required to give this test to our 8 students. As you look over the results, you will NOT see any results for Pilgrim students,

We are also required to share with you the educational choice information, which can be found at:

<https://dpi.wi.gov/sms/choice-programs/student-applications>

Pilgrim Lutheran School has administered the NWEA MAP test to our children in the fall on September 11-15, 2017. The children did a great job. We will again administer the NWEA MAP test to our children in the spring of the year on the week of April 9-13. If you have any questions about these tests please contact Principal John E. Schultz for further information.

Serving our Savior in prayer,

John E. Schultz
