

Our Mission . . .

is to provide a Christian climate for instructing children in God's Word, preparing them to share their faith, so they are equipped to be witnesses of the Gospel and productive citizens in an ever-changing world.

Our goals . . .

- * Educational opportunities for our church members and the community.
- * Developmentally appropriate learning experiences, cooperative play and guidance in a Christian atmosphere.
- * Assistance for parents through participation and guidance of activities for children.
