## Wedding Service Information Sheet

**Wedding Request:** To plan a wedding at Pilgrim there is a premarital process. The process assists in preparing every couple for a wonderful wedding day and a blessed marriage after that wedding day. Through the premarital process it is our goal to assist every couple to have the best marriage possible. Celebrating God's wise counsel for marriage, we pray that God will bless you and equip you for a joyful and faithful life together. To plan a wedding, one of the participants must be a Pilgrim member. This marriage request form will help with details.

*\* All marriage requests must first contact one of the pastors for wedding requirements and calendar availability.*
